

# Indian Institute of Science Education and Research Bhopal

## Internship letter

This is to certify that Chinmay Mundane carried out his internship in my lab (Moon Lab) from May 24 2023 to July 24 2023. He worked on developing offroad data annotator for off-road autonomous navigation. His performance was excellent during the internship.

Please feel free to contact me for any additional information.

Regards,

P.B. Sujit

Associate Professor,

Department of Electrical Engineering and Computer Science Ph: +91-755-269-2649
